

## TOMBSTONE EPITAPH.

PUBLISHED EVERY SUNDAY BY S.C. BAGO

Tombstone, Cochise County, Arizona.

ENTERED IN THE POST OFFICE AS SECOND-CLASS MATTER.

From Friday's Daily.

Scott White went to Bisbee on business today.

John Noble is in Tempe and has joined the Tombstone colony there.

The county pile driver was taken to St. David today to be used in the repairing of the bridge, which is badly damaged.

If the Tucson ball club wants to tackle the champions again for anything from 67 cent dollars up they can be accommodated by the Tombstone nine.

The county treasurer is paying all outstanding warrants on the treasury drawn by the board of supervisors, of which James Reilly is chairman.

The infant daughter of Mrs. S. Galen is very ill with brain fever. The mother, who was in Bisbee, arrived yesterday in response to a telegram telling of the little one's condition.

W. K. Meade came in today from Tucson. He will remain a few days before returning to Tucson. Mrs. Meade will accompany him on his return.

A. Frowde brought in some prize peaches from his Huachuca ranch today. He had some early Crawford peaches that measured 10 1/2 inches in circumference.

Scott White returned yesterday from Phoenix, where he took the insane patient, Armistead. The latter was very quiet on the way and was pleased to get to his new home. The asylum needed a carpenter, and Armistead was as pleased as a child to find that he could fill the bill.

Ben Williams of the Copper Queen company has gone to Sonora to examine a copper property of which great things have been told. He will be absent about three weeks.

Mr. Gee, the genial Englishman who visited Tombstone last year, is with us again. He will remain for some time looking after the interests of the Old Guard Co. and the big irrigating scheme at Rucker canyon.

The Tombstone base ball club is the champion one of the territory. The last series of eight games played between Tombstone and Tucson resulted in the Tombstone boys taking five of the eight games, giving them the pennant, which they still hold as a trophy of their victory.

Frank Pearly started home from Bisbee yesterday with a team belonging to Frank Hare. In the canyon near Humphrey's he was thrown out and severely cut and bruised. He is at Humphrey's house at present. The team came on toward Tombstone and was found this morning about four miles from town. Nothing was damaged beside one wheel being out of gear.

## WARDWELL'S CLAIM.

### What He Bases His Suit Upon and His Reasons for Asking a Judgment.

The complaint filed yesterday in the district by C. S. Clark, attorney for D. K. Wardwell, wherein he asks \$10,000 for false imprisonment will be of public interest, and is reproduced herewith:

The plaintiff states that on or about the 17th day of July, 1893, at the said county of Cochise, the defendants wrongfully, unlawfully, combined, confederated and entered into a conspiracy with intent then and there to injure, humiliate, wrong and deprive plaintiff of his then employment, to-wit: the care and custody of the court house of said county as the janitor thereof.

That in furtherance of said conspiracy, the said James Reilly and Geo. W. Bryan wrongfully assuming and unlawfully acting as supervisors of said county, together with the said defendants Arioch Wentworth, then and there wilfully and illegally acting and officiating as the clerk of the board of supervisors of said county, did then and there make, utter, issue and enter in writing in the minute book of the board of supervisors the following illegal entry, to-wit:

On motion unanimously ordered that Mr. D. K. Wardwell produce the keys of the court house in his possession as former janitor of the court house. Mr. Wardwell peremptorily refused to obey. Whereupon it was ordered by the board that he be fined in the sum of fifty dollars and be confined in the county jail until he obeys the said order.

And then and there the said defendant, James Reilly, within the hearing, knowledge, consent and advice of the said defendants, Geo. W. Bryan and Arioch Wentworth, ordered and commanded the said defendant, Thos. P. Cowan to take charge of and detain plaintiff.

Then and there the said defendant, Thos. P. Cowan, detained and unlawfully restrained plaintiff of his liberty without probable cause and without any right or authority so to do, and against the will of plaintiff.

Thereafter while plaintiff was restrained as aforesaid, the said defendant, James Reilly, with the knowledge, consent and assistance of the said defendants, Geo. W. Bryan and Arioch Wentworth, and in collusion with the said defendant, Thos. P. Cowan, and in furtherance of said conspiracy and with the intent to injure, humiliate wrong and imprison plaintiff so as to deprive him of his said employment did then and there make, utter, issue in writing an order of imprisonment of plaintiff, to-wit:

Office of Board of Supervisors, Tombstone, Ariz., July 17, 1893.

D. K. Wardwell being cited to appear before the board in relation to the discovery of the keys and other property belonging to the county, now in his possession as former janitor.

On motion unanimously ordered that Mr. D. K. Wardwell produce the keys to the court house, now in his possession as former janitor of court house.

Mr. Wardwell peremptorily refused to obey.

Wherefore it was ordered by the board that he be fined in the sum of fifty dollars and be confined in the county jail until he obeys the said order.

Approved JAMES REILLY, Chairman.

Attest A. WENTWORTH, Clerk.

Then and there the said defendant James Reilly, delivered said order of imprisonment to the said defendant Thos. P. Cowan, and with the knowledge, consent and advice of the said defendants, Geo. W. Bryan and Arioch Wentworth, and ordered and commanded the said defendant, Thos. P. Cowan, to take plaintiff to the county jail.

Then and there, in furtherance of said conspiracy, the said defendant, Thos. P. Cowan, being a constable of said county, by force compelled plaintiff to go with him to the county jail and there imprisoned him and then and there detained him restrained of his liberty for the space of four days without cause and without any right or authority so to do and against the will of plaintiff.

Whereby plaintiff was wronged, humiliated and injured in his credit, and was prevented from attending to his business during that time and deprived of the comforts of his home and the society of his family, and was compelled to pay the sum of one hundred dollars costs and counsel fees in obtaining his discharge, to his

damage the sum of ten thousand dollars.

Wherefore plaintiff demands judgment against the said defendants, James Reilly, Geo. W. Bryan, Arioch Wentworth and Thos. P. Cowan for the sum of ten thousand dollars as damages, and the sum of one hundred dollars expended in obtaining his discharge with interest on said sums from the 20th day of July 1893.

### How we grow Old

The thread that binds us to life is most frequently severed are the meridian of life is reached in the case of persons who neglect obvious means to renew failing strength Vigor, no less the source of happiness than the condition of long life, can be created and perpetuated where it does not exist. Thousands who have experienced or are cognizant—including many physicians of eminence—of the effects of Hostetter's Stomach Bitters, bear testimony to its wondrous efficacy as a creator of strength in feeble constitutions, and debilitated and shattered systems. A steady performance of the bodily functions, renewed appetite, flesh and nightly repose attend the use of this thorough and standard renovant. Use no local tonic represented to be akin to or resemble it in its place. Demand the genuine which is an acknowledged remedy for indigestion, malaria, nervousness, constipation, liver and kidney complaints and rheumatism. A

The Citizen takes to task the hunting party which was mentioned in the PROSPECTOR a few days ago as having killed four deer in the Huachuca mountains. It suggests that the three guilty parties should be prosecuted for killing deer out of season. It is surprising that the Citizen, which is one of the oldest papers in the territory, should take any stock in a deer story. If the relaters of the yarn were to be called upon to prove the killing of four deer they would wilt with utter dismay.

### The Druggists

In Lowell, Mass., agree in saying that they sell more of Hood's Sarsaparilla than of all other blood purifiers. For instance:

F. C. GOODALE: I sell more of Hood's Sarsaparilla than all other blood purifiers.

A. W. DOW & CO.: Hood's Sarsaparilla is one of the best medicines we have.

C. F. BLANCHARD: We sell more of Hood's Sarsaparilla than of any other kind.

MANLY & SNAW: With us the sale of Hood's Sarsaparilla is one of the best medicines we have.

F. & E. BAILEY & CO.: Hood's Sarsaparilla is one of the best medicines we have.

CAUTION & HOVEY: Hood's Sarsaparilla is one of the best medicines we have.

F. P. MOODY: We sell twice as much of Hood's Sarsaparilla as of anything similar.

C. A. SWAN: Hood's Sarsaparilla is the most popular Sarsaparilla of the day.

THURGOOD DRUGGISTS speak similarly.

This popularity at home, where Hood's Sarsaparilla and its proprietors have been known for many years, could not continue if the medicine did not possess merit. And these facts should certainly convince people in other sections of the country that Hood's Sarsaparilla is a good, reliable medicine.
